

Why Fitzpatrick Mfg?

We will carry and manage your inventory at no additional cost

We will carry up to a year of your inventory in our temperature/humidity-controlled shelving section. We can then ship any quantity at any time against your releases. Our unique Vendor Managed Inventory (VMI) system offers you:

- **Lowest Unit Cost**
We process and machine larger lot sizes
- **On-Time Delivery**
We ship from our own stock
- **Improved Cash Flow**
We invoice only when product is shipped

Our VMI system integrates easily with any Just-In-Time system.

Laser Marking

We can mark your product with part numbers, logos, and serial numbers for *added value at no additional cost.*

Dedicated Management

Individual account managers work directly with our largest customers to provide *fast, courteous, and knowledgeable service to all customer inquiries.*
